

Luis Fernando Garcia Cerecedo

1062 Durness Pl | San Jose, CA 95122 | lgarci81@lion.lmu.edu | (408) 888-2740

Education

Loyola Marymount University

Intended *Computer Science Major*

Los Angeles, CA

Expected Graduation Date: May 2021

Relevant Coursework:

Data Structures
Programming Lab

Intro to Computer Programming
AP Computer Science

Experience

Bellarmino College Preparatory:

San Jose, CA | June 2016 - September 2016

Surface Pro Team Member:

- Provided technical training and support for Bellarmine College Prep's students helping my community transition toward a better learning environment.
- Learned technical support strategies and developed troubleshooting skills.

LMU Modern Language Department:

San Jose, CA | September 2017 - Present

Lab Assistant, Lab Coordinator:

- Administered Loyola Marymount's Modern Language Lab completing tasks such as: providing basic IT support, aiding students to navigate file system, and generating reports of usage and activities.
- Developed communication skills to interact with students and report information to higher-ups.

Google Computer Science Summer Institute-Extension:

Los Angeles, CA | July 2017-August 2017

Participant:

- Completed an intensive three-week programming institute that focused on web app development implementing Google Cloud Platform's App Engine and Datastore using Python, JavaScript, HTML and CSS.
- Collaborated with 2 peers to create and open source web application called Hobyn, a site designed to help people find a new hobby, as a final project.
